# **The Graduating Class of 2019's Letter to the Administration**

Dear Mr. Loprete, Mr. Hehn, and Mr. Bernard,

The class of 2019 would like to recognize the attention you pay to daily occurrences on campus and the extra hours that you take to ensure our school is a place of safety, honesty, and pride. Each of you excel in your roles within the administration. Your dedication, perserverance, and loyalty allow each of you to be unprecedented as Principal, Assistant Principal, and Superintendent.

As a class, we understand that fulfilling the role of a school administrator is not a simple task. The school day does not end when the bell rings and we recognize your presence at all of our games, meets, performances and competitions. We appreciate your efforts to support every student on their journey through high school. We want each of you to know that as a class, your attention does not go unnoticed.

The NRHS class of 2019 would like to thank the three of you from the bottom of our hearts. We are so grateful to your diligence to NRHS and over the past four years our idenity as the hornets has unified and strengthened our class bond.

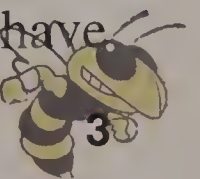

Mr. Loprete, as our Principal, we would like to thank you for your passion towards the well-being of students. As a class we always feel safe within our school building and we know that your daily commitment to NRHS is to thank for that. We are so grateful to have had four years with you as our principal and your pursuit for learning has influenced us all to great success.

Mr. Hehn, as our Assistant Principal, we would like to thank you for your smiling and welcoming face every morning as we enter NRHS. You may not have been here for a long time, but you have made a lasting impression upon us. You fit perfectly into our NRHS community and we appreciate all of the effort that you have given to make our last year memorable.

Mr. Bernard, as our Superintendent, we would like to thank you for your continuous efforts in ensuring happiness within our school system as well as within each one of us as a student. We feel as though you have made our past four years here unique. NRHS would not be the same without you and we are thankful that you have remained close to our class and always given us your support.

# GOOD LUCK TO OUR RETIREES!

All of us at NRHS wish you the best in your future as well as a lifetime of happiness.

Thank you for your years of dedication, the constant smiles shining in our hallways, and your inspiration to the students and staff. You will be missed!

Thank you to Rose Stadig, Suzanne Passeri, Bob Johnson, Judy Carter, and Robyn Forman

# YOU KNOW YOU'RE FROM NORTH READING WHEN...

It takes 20 minutes to leave  
the parking lot.

You know every person  
by their car.

You give directions based on families  
who live in the neighborhood instead of  
street names.

You gather around the  
atrium for 4 minutes before  
your next class.

Half your grade goes to  
UMass Amherst or UNH.

You bump into 10 people you know when you  
are out in public.

You know your entire  
grades first and last name.

Nothing stays a secret.

You don't use your locker all 4 years of  
high school.

Driving around is something fun to do, not  
just a means of travel.
